

AccÃ©s a Netacad amb el compte professional

Description

Per accedir a Netacad, utilitzo el meu correu personal. AixÃ mÃ ??asseguro que tots els tÃ tols, medalles i certificacions oficials de Cisco que aconseguirÃ©i durant el cicle es queden vinculats a mi, tot i que en el futur acabi els estudis i ja no tingui el correu del centre. DÃ ??aquesta manera, puc afegir aquests assoliments directament al meu currÃ©culum i continuar fent servir el compte en la meva etapa laboral.

Primer, busquem netacad . com al nostre navegador i anem al botÃ³ verd que trobem a dalt a la dreta de la pantalla per accedir amb el nostre compte.

Després, posem les nostres credencials, com el nostre nom, cognoms i la nostra adreça de correu per crear i vincular el compte de Cisco, i fem clic al botó blau de "Continuar".

Terms & Conditions

Terms and Conditions for Use of Cisco Networking Academy Websites and Services

1. **Background.** The Cisco Networking Academy learning platforms are websites ("Websites") within the Cisco Networking Academy Program ("Program"). Cisco operates and provides access to a range of Program related websites and microsites accessible to users (including students, nonstudents and alumni) who have a Cisco Username and Passwords. Websites contain content relevant to the Program and are also designed to enable social networking and collaboration ("Services") among users. The Services enable a user to create personal profiles (each, a "Profile") that can be searched and viewed by other users. The Services also support discussion forums, chat, electronic messaging, survey tools, blogs, wikis or other collaborative tools that Cisco elects to make available in its discretion. Cisco may modify, enhance, restrict or terminate Websites and Services in its discretion at any time and without notice.

The Program operates in accordance with global privacy laws, including laws that impact children's privacy. Registration or use of the Program is not intended for children. For the purposes of the Program, we consider an individual to be a child if the applicable law limits the processing of an individual's personal data because the individual is under a certain age (for example, individuals under 13 years of

☒ I have read and agreed to the terms & conditions. *

☐ I would like to receive communications and updates about the program, including information about functionality and learning offerings from Cisco Networking Academy. I understand I can unsubscribe at any time.

By not subscribing you will not receive Cisco Networking Academy promotional communications, including updates and the latest news regarding netacad.com. You will still receive critical operational updates and updates about your learning journey and account status by email.
